To whom this may concern,

I have known [REDACTED] for many years. He is a devoted father and husband. His son, [REDACTED] attended our preschool for 3 years.

[REDACTED], a very nice boy graduated from our program with honors and he is a very well rounded young man, which is a reflection of good parenting at home. I am sure this is due [REDACTED]'s excellent communication skills as a father.

[REDACTED] was organized, efficient, extremely competent, and had an excellent rapport with other parents. He understood the need for parental involvement and contributed well to our many school events.

In summary, I highly recommend [REDACTED] for any endeavor he may seek to pursue. He will be a valuable asset for any organization.
